

V1.5

Welcome to Found Friday!

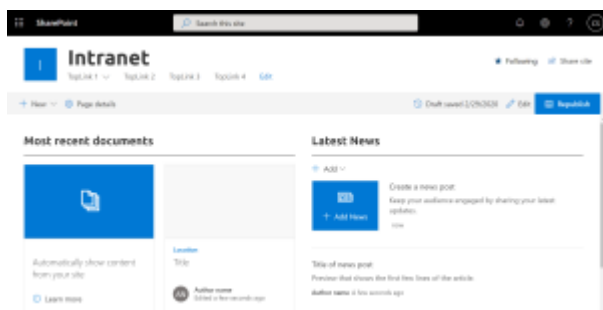

Each bi-monthly newsletter aims to keep you informed on updates, changes and trends in Office 365 and SharePoint. Want more information on how [Corporate Communication Solutions](#) can assist in your 365 and SharePoint processes? Please reach out to us at info@ccsinc-online.com

Top 10 features of Microsoft Stream

What I like about Microsoft Stream is that it is not just a platform to store videos. Since Microsoft Stream is part of Office 365, it is tightly integrated with its other components, like SharePoint and Office 365 Groups. [Read more](#)

How do I make SharePoint not look like SharePoint?

That is a question I hear all of the time! With the introduction of Modern Pages, that has become easier to do. Here is a **bonus Part Three** to get you thinking about how you might present your intranet information a little differently. If you haven't read Parts One or Two, I have posted the links for that, too!

Honeywell says it will soon launch the world's most powerful quantum computer

On March 3, 2020, Honeywell announced a major breakthrough that it claims will allow it to launch the world's most powerful quantum computer within the next three months. [Read more](#)

PowerApps Expense Report Demo

Wanted to share demo for the install and configuration of Expense Report sample application. PowerApps and MS Flow leveraged to create validated input, mobile ready, rich forms input experience. MS Flow applied for approval routing and audit trail. Easily submit new request, automate approval, and enable full tracking with PowerApps and MS Flow working together. Cheers.

Working remotely during challenging times

COVID-19 has impacted the lives of people around the world. Travel restrictions and new rules on large public gatherings have changed the daily routines of millions. Over the past few weeks, many of my colleagues and customers have approached me to ask: What can we do to help? [Read more](#)

The next edition of Found Friday will focus on working remotely using Microsoft Teams. Don't miss it!

Hang tight...the weekend is almost here!
