

V1.9

Welcome to Found Friday!

Each bi-monthly newsletter aims to keep you informed on updates, changes and trends in Office 365 and SharePoint. Want more information on how [Corporate Communication Solutions](#) can assist in your 365 and SharePoint processes? Please reach out to us at info@ccsinc-online.com

UPCOMING TRAINING – JUNE 15-19, 2020 REGISTER NOW!

 **COLLAB365: GLOBALCON2** COLLAB365 brings you the latest information on Microsoft Products and Services. The Collab365 Global Conference (#GlobalCon1) is June 15-19, 2020, and all sessions are online. The conference will cover a variety of topics on services such as SharePoint, Power Apps, Teams, OneNote, Office 365 and more. Included in the training are two sessions on consulting – how to strike out on your own. Best of all, the live conference is free to attend. Can't attend the conference? Right now, you can get an ALL-ACCESS PASS that gives you lifetime access to all GlobalCon2 sessions, 10 E-Books, and Teams Summit videos and more for \$79. Don't miss out on this great training opportunity! Price increases to \$139 on May 18. Click here for a [free live conference ticket](#) or here for the [All-Access Pass](#).

What's New in Microsoft Teams

As businesses and schools around the world prioritize remote work for the safety and well-being of their employees and students, Microsoft Teams is playing a critical role in helping them stay connected through video meetings, calls, and chats. [Read more](#)

Component Library in Power Apps

One of the cool features that you can find in Power Apps is Components. A Component is a reusable piece of code or control in your screen(s) within your app. [Read more](#)

Engage your employees using the Incentives App in Teams

Are you looking to incentivize behaviors you want to encourage as part of organizational change management strategy? Incentives App template for Teams lets you gamify Adoption & Change management activities. [Read more](#)

Microsoft Teams delivers custom backgrounds

Now that more team members are working from home, we want a more practical way to keep the focus on us when we're connecting with our colleagues. Because of that, Microsoft decided to introduce a new feature, custom backgrounds. [Read more](#)

4 levels of search in SharePoint Online

As a SharePoint consultant, I get this question all the time (and I quote): "Now that we have uploaded all of our documents to SharePoint, how the *%&! do we find them?". This is a very reasonable and valid question. [Read more](#)

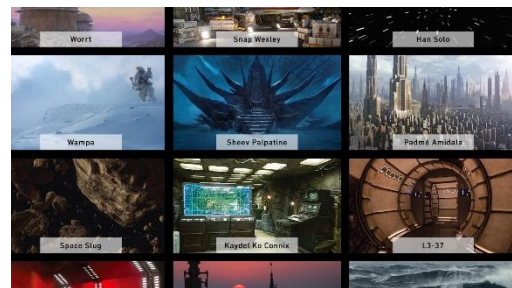

How remote work impacts collaboration

As COVID-19 has compelled millions of us to stay home, we're learning so much about connecting and collaborating remotely. Modern Workplace Transformation team—based right here in Washington—examines how remote work has changed their own collaboration habits. [Read more](#)

Join meetings from a galaxy far, far away with these *Star Wars* backgrounds

TAKE YOUR VIDEO CONFERENCES ANYWHERE FROM TATOOINE TO THE RESISTANCE BASE

Have an upcoming video call? Don't dial in from your living room – send your transmission from the cockpit of the millennium Falcon. [Get the backgrounds here](#)
