

V1.14

Welcome to Found Friday!

Each bi-monthly newsletter aims to keep you informed on updates, changes and trends in Office 365 and SharePoint. Want more information on how [Corporate Communication Solutions](#) can assist in your 365 and SharePoint processes? Please reach out to us at info@ccsinc-online.com

Miss a newsletter? View past [Found Friday](#) editions on our website!

The [Collab365 Global Conference 3](#) is September 8-11, 2020, and all sessions are online. The conference will cover a variety of topics on services such as SharePoint, Power Apps, Teams, OneNote, Office 365 and more. Best of all, the live conference is free to attend.

Not only will we be amazing you with our 4-Day event in September, but we will also be warming you up with 2 information-packed days.

- Power Platform Days – August 11-12

Can't attend the conference? Right now, you can get an ALL-ACCESS PASS that gives you lifetime access to all GlobalCon3 sessions, 10 E-Books, and more for \$69. Don't miss out on this great training opportunity! Click here for a [free live conference ticket](#) or here for the [All-Access Pass](#)

New 'Shadow Attack' can replace content in digitally signed PDF files

Fifteen out of 28 desktop PDF viewer applications are vulnerable to a new attack that lets malicious threat actors modify the content of digitally signed PDF documents. [Read more](#)

IA Value | Packaging and templating SharePoint sites, content and structure

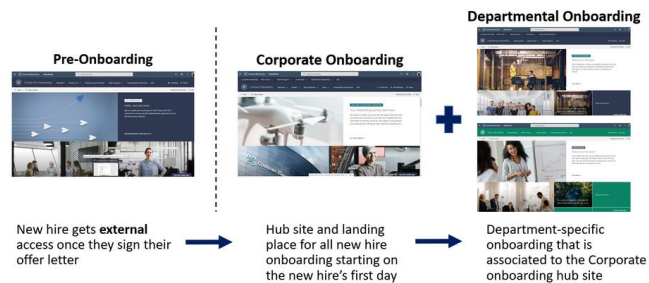

SharePoint powers your entire intelligent intranet and the intranet architecture (IA) is vital. The best way to ensure a positive experience for site owners and visitors is to establish design patterns for your intranet sites and use site designs and templates to ensure that the patterns are applied consistently on all sites. [Read more](#)

Top 3 things you didn't know about Microsoft Teams (and 2 extras)

Microsoft Teams is a feature-rich collaboration tool that's adding new users and organizations every day. With so many features built into this robust application, we thought we would share some of our favorite features, tips, and tricks to get the most out of Teams. [Read more](#)

New Employee Onboarding hub - improving the new hire experience

Planning, implementing, and managing an onboarding experience for new employees is time consuming and challenging. [Read more](#)

How to use PowerShell to find all the flows in your tenant

As an administrator, I find myself frustrated a lot by the lack, or at least lack of understanding on how to manage Flows and Power Apps. They never quite behave exactly like I want them to. One of the things that keeps coming up is being able to get a list of all of the Flows in a Tenant. [Read more](#)

***Hang tight...the weekend is
almost here!***
