Will a platform strategy help Microsoft Teams win the long game?

Microsoft has turned Microsoft Teams into a powerful platform for team collaboration, taking advantage of their long experience in building some of the world's most popular tech platforms. Will this translate into long term success for the popular collaboration service? [Read more](#)

Teams Wiki vs. OneNote

In this post, I would like to explain the difference between **Teams Wiki** and **OneNote**. Both apps are highly visible from SharePoint and Teams and seem to serve the same purpose, so I would like to explain what they are and whether you should use one or another. [Read more](#)

How to effectively manage SharePoint News - Part 1

Modern SharePoint gives you the possibility to easily create News using the same interface you use to create Pages. [Read more](#)

How to effectively manage SharePoint News - Part 2

In the first part of this article I've explained how to manage SharePoint news effectively using custom views. In Part 2 I'm bringing you a second approach to manage SharePoint news using what SharePoint provides out of the box.
